

FINDING & TRACKING LEGISLATION

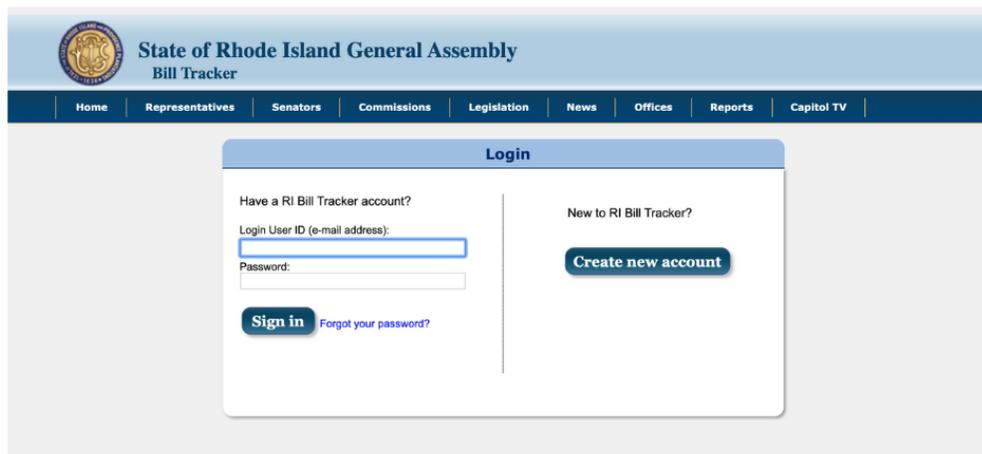

Step 1: Go to rilegislature.gov/pages/legislation.aspx

The screenshot shows the homepage of the State of Rhode Island General Assembly's Legislative Information section. The page features a navigation menu with links for Home, Representatives, Senators, Commissions, Legislation, News, Offices, Reports, and Capitol TV. The main content area is titled "2020 Legislative Session Information" and lists various categories such as Bill Status/History, Bill Text, Committee Agendas, Commissions, and Floor Calendars. A search bar is located at the top right of the page.

Step 2: Search by title, category (topic), sponsor or bill number.

Step 3: Enter the bill number into the bill tracker (registration required) at rilegislature.gov/billtracker

The screenshot shows the login page for the State of Rhode Island General Assembly's Bill Tracker. The page has a navigation menu with links for Home, Representatives, Senators, Commissions, Legislation, News, Offices, Reports, and Capitol TV. The main content area is titled "Login" and contains two columns. The left column is for existing users, with fields for "Login User ID (e-mail address)" and "Password", and a "Sign in" button. The right column is for new users, with a "Create new account" button. A "Forgot your password?" link is also present.

Step 4: Wait for email alerts on the bill hearings and votes.
